building loans ³	1 889 925	1 883 328										

Source: NBS, Monthly report on stock of loans in EUR and average interest rates; data covers loans to households (S.143, S144, S145); data covers all loans provided in EUR; table does not include loans with 0% interest rate; any purpose loans data is not available

Data in table includes loans with specified purpose collateralized by real estate (mortgage loans, other housing loans and building loans) and loans without specified purpose collateralized by real estate

¹ Sum of mortgage loans, building loans provided by building societies and other housing loans

² Market shares of banks in mortgage loans may differ from market shares of outstanding principals of mortgage loans (mentioned in table for mortgage loans provided by mortgage custodians). Mortgage loans (in table for housing loans) contain loans provided to households only whereas mortgage loans provided by mortgage custodians (table above) contain loans to all sectors. Data provided by mortgage custodians covers mortgage loans where registration of mortgage is confirmed by cadastral office.

³ Data includes building loans and intermediary loans provided by building societies
