

METHODOLOGICAL GUIDELINE

Revision policy for data reported and published for statistical purposes for the year 2026 and previous years

This methodological guideline sets the rules for the revision of data in the reports submitted to the National Bank of Slovakia by individual reporting entities for statistical purposes¹.

The guideline also regulates publishing of statistical data on the web site of the National Bank of Slovakia.

The revision policy specifies the following revision types:

1. actual reference period T,
2. ordinary revisions, which refer to the last reference period T-1,
3. exceptional revisions, which refer to the previous reference periods (T-2, ... T-j).

T – Current reference period

The following rules are set for publishing of statistical data on the National Bank of Slovakia web site:

1. Data for the current reference period T, as well as revised data for the period T-1 (ordinary revisions) are published on the web site **on the last working** day of the month (T+1) as specified in the Table, column 4.
Data for the current reference period T are marked with (p) as preliminary data.
2. Exceptional revisions, which refer to the previous reference periods (T-2, ... T-j), are published on the web site on days specified in the Table, column 3. Revisions performed within the exceptional revisions are published on the web site as news.
3. Revised data for the first quarter of 2026 are published on the web site on the last working day of June 2026.
4. Revised data for the second quarter of 2026 are published on the web site on the last working day of September 2026.
5. Revised data for the third quarter of 2026 are published on the web site on the last working day of December 2026.

¹ The Decree of the National Bank of Slovakia of June 21, 2021 No. 8/2021 on submitting reports by banks and branch offices of foreign banks to the NBS for statistical purposes as amended by update No. 12/2023 of December 5, 2023.

6. Revised data for the fourth quarter of 2026 are published on the web site on the last working day of April 2027.

Table Data revision and publishing schedule

Current reference period (T)	Ordinary revisions for the last reference period (month T-1)	Exceptional revisions for the reference periods (T-2, ...T-j)	Publishing of national data for the reference month (T) the last working day of the month www.nbs.sk
