Information concerning general good requirements of Slovakian law

Disclaimer:

The information listed in this document has been gathered and categorised by EIOPA. It includes the general good provisions regulating insurance distribution in addition to those set out in the Insurance Distribution Directive (Article 11(2)) and those referred to in Article 180 of Solvency II. It may also include information on other general good provisions (not related to IDD and Solvency II), such as money-laundering and taxation provisions, which are relevant for insurance distributors doing cross-border business. It is:

- of a general nature only and is not intended to address the specific circumstances of any particular individual or entity;
- not necessarily comprehensive, complete or up to date;
- sometimes linked to external sites over which EIOPA/NCAs have no control and for which EIOPA/NCAs assume no responsibility;
- not professional or legal advice (if you need specific advice, you should always consult a suitably qualified professional);
- to be read in conjunction with and does not override the information referred to on the national websites

EIOPA/NCAs accept no responsibility or liability with regard to the information published herein. This information available should be checked against the relevant national website(s). Only the officially published sources of General Good provisions in the respective countries are deemed authentic.
